We offer a collaborative, in-person environment with a focus on accuracy, accountability, and continuous improvement. This role suits a detail-oriented, analytical professional who takes ownership and seeks to understand the “why” behind the numbers.

Key Responsibilities:

- Partner cross-functionally with teams across the organization, gaining exposure to different areas of the business and contributing to key financial insights
- Play a key role in month-end, quarter-end, and year-end close processes, helping deliver timely and accurate financial results
- Prepare high-quality financial reports, working papers, and disclosures in accordance with ASPE standards
- Collaborate with internal and external auditors, gaining valuable exposure to audit processes and best practices
- Identify opportunities to improve processes and strengthen internal controls, contributing to continuous improvement initiatives
- Prepare and review account reconciliations, maintain general ledger accuracy, and investigate variances to ensure data integrity
- Provide guidance and mentorship to junior team members, supporting a collaborative and growth-oriented environment
- Prepare and review journal entries, including accruals, intercompany eliminations, and fixed assets

Qualifications:

- Bachelor's degree in Accounting, Finance, or a related field.
- CPA (or in progress) preferred.
- 4–6+ years of progressive accounting experience (close + audit support)
- Strong ASPE and/or IFRS knowledge
- Advanced Excel & aptitude for data analytics (PBI); ERP experience (e.g., NetSuite, SAP, Oracle, Aptean)
- Strong analytical and communication skills, high attention to detail

Working Environment:

- Located in the beautiful Annapolis Valley, only 55 minutes from Halifax.
- Reporting directly to the Manager of Financial Accounting.
- This is an on-site position.

CKF offers a competitive wage and benefit package (including a pension plan). If you want to work for a dynamic and exciting company and enjoy the challenges of working on a variety of duties in a fast-paced environment, then come be a part of our team.
